**DECLARATORY JUDGMENT AND
APPROPRIATE WRIT OF MANDAMUS**

Suitor's one supreme Court takes this matter as a Writ of Error, as a new trial of the State and Federal Cases, and necessary for the potential jurisdiction and final judgment and hereby issues the following Declaratory Judgment to finally terminate any controversy in the associated Cases.

After an extensive review of the history of the State of Texas and the United States of America District Court procedures, and of the uncontroverted facts of the Cases, specifically find relatively undisputed facts, plain error, intrinsic fraud, misrepresentation and misconduct of the opposing parties, and under the authority of the endowed unalienable rules of right, "new substantive law created", by the laws of Nature and Nature's God, and through the Federal statutes, codes, rules and regulations herein adopted and ratified providing the procedures necessary to the extent necessary to provide the complete satisfaction of the potential judgment and final remedy for the man, Michael Joseph Kearns, by this one supreme Court, accordingly, this one supreme Court makes the following Declarations, to wit:

- A. Michael Joseph Kearns is a man, created by Nature and Nature's God, invested with inherent powers derived from Nature and Nature's God, without those powers being derived from another source, but necessary and proper for the complete administration of justice in this Case. Such power is essential for

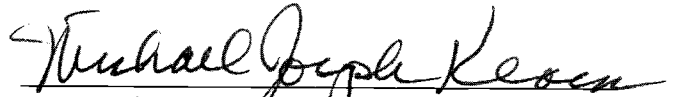

Suitor's one supreme Court and the Federal, State and County Courts.

- J. The United States of America and the State governments have committed intrinsic fraud on the "people of the United States", in this particular case, the man, Michael Joseph Kearns, by not only failing to recognize the facts and declarations above stated but actively taking action to subvert the clear and present intent of the man, Michael Joseph Kearns to clearly exercise all the attributes of his acknowledged political state as, "free sovereign and independent" by invading the territory/land where the man, Michael Joseph Kearns, presently lives and enjoys life to the fullest extent possible without interference from any foreign invading force, either any foreign law, or the foreign officers, agent or employees of a foreign State, to enforce any foreign law on the man, Michael Joseph Kearns, to the great detriment of the man, Michael Joseph Kearns.

Anytime there is interference with the one supreme Courts jurisdiction a protective writ is justified.

IN ACCORDANCE WITH, the above Declaration by this one supreme Court, this one supreme Court is duty bound to issue the following **APPROPRIATE WRIT OF MANDAMUS** to the United States of America District Court for the Western District of Texas, its officers, agents and employees, to forthwith immediately issue a **WRIT OF PROHIBITION** to the State of Texas, County of Williamson, to the officers, agents and employees thereof, in regards to Williamson County Court at Law #1, Case No. 13-03809-1, to cease and desist all activities of any nature whatsoever in Williamson County Court at Law #1, Case No. 13-03809-1, until upon further order of this United States of America District Court, in order to stop the intrinsic fraud as delineated in the Declaratory Judgment of the one supreme Court, being perpetrated upon the said United States, the land/territory of the United States and the man, Michael Joseph Kearns, as one of the "people of the United States."

BY ORDER OF THE COURT
FOR THE COURT

Michael Joseph Kearns, the man,
currently living on the land of the
United States, as one of the people of
the United States
